Full Time Technical Experience

Lead Technician	Manhattan School of Music (NYC)	*November 2023 – present
— Managing overhire crews for load-in/load-out of large scale musical theatre and opera, organizing/documenting theatrical lighting inventory, wiring set practicals, performing equipment maintenance/upkeep, and functioning as a crew swing.		
Event Technician & Lighting Engineer	Lawrence University (Appleton, WI)	October 2015 – June 2019*
— Responsible for professional-quality event setup and operation at a multi-venue public and collegiate performance/conference/wedding space, including audio-visual support for mics/instruments/presentations/recitals, lighting hang/focus/design/operation, and general technical troubleshooting.		

*gap due to service industry work, freelance theatrical work, and COVID. Service resume available upon request.

Education

B.A. Theatre Arts — concentration in technical theatre and design	Lawrence University (Appleton, WI)
